| Processed by Payroll Dept: | <input type="text"/> 20                               |

#### Compulsory banking details

Although employees do provide banking details to SARS on their income tax return, many employees do not provide updated/valid detail which results in tax refunds not being paid to them. SARS would like to validate the bank details taxpayers provided against the IRP5/IT3(a).
